## Allocation of Points

Allocation of points in the rally overall classification per each class.

Place	1	2	3	4	5	6	7	8	9	10
Points	25	18	15	12	10	8	6	4	2	1

Number of rallies for the RallyShow Gravel Challenge 2022/2023 classification:

If 5 rallies are organised: 4 best results

If 4 rallies are organised: 3 best results

If 3 or less than 3 rallies are organised: all results.

## Tie after the last event

In the case of a tie after the last event, the higher points resulting from the overall classification of the last calendar-event will be taken into consideration. If there is still no decision, the penultimate event counts, and so on. As a last resort the final times of all common rallies between drivers is taken into account and one with better time is having an advantage to score better final position.
